

## SBR Sheet

- SBR (Styrene Butadiene) is a synthetic Rubber which has good abrasion resistance.  
It is available in black or red etc.(fabric or smooth finish)
- Cloth Insertion,Nylon Insertion Available
- Cloth Impression Finish Available
- Spcification And Size On the Customer's Request
- Design the product formula according to customer's special request
- Test Methods Are Corresponding with ISO Standard.
- All The colors Available

Grade	Hardness	Tensile Strength	Elongation	Temp. Range	Max. Width	Thickness
	Shore A	PSI	%	°F	Inch	Inch
BSBR 60	60±5	435	250	-13°F~+167°F	78	1/32~2
BSBR 70	70±5	435	250	-13°F~+167°F	78	1/32~2
BSBR 80	80±5	435	150	-13°F~+194°F	78	1/32~2
Anti-Static SBR	65±5	435	250	-13°F~+167°F	78	1/32~2
RSBR	65~80±5	510	250	-13°F~+194°F	78	1/32~2
